# What is our Process?

Whether it's a single room or an entire facility, FAFC is uniquely qualified to handle the art and framing demands of designers and corporations. Our company's full range of capabilities, from art sourcing to in-house production and installation, ensure a trouble-free experience and timely delivery of your art and framing. This often involves the following:

- 
- ❖ Numerous framing, matting and glass options to protect and present art selected using archival methods
  - ❖ Selection of art, framing and placement with consideration of surrounding space and consistency in collection
  - ❖ Presentation of art options—paintings, prints, sculpture and dimensional art, works on paper, and photography as the project requires
  - ❖ Site review: Clear understanding of the space, furniture placement and art location
  - ❖ Evaluation and discussion of the project and budget
